The Grand Master was pleased to make, to the Grand Lodge, the following

COMMUNICATION :

BRETHREN,

I CONGRATULATE you on our again meeting under circumstances of accustomed interest, and in a place consecrated to so many agreeable recollections.

Since our last session I have received communication from the Grand Lodges of Lower Canada, Vermont, New-Hampshire, New-York, New-Jersey, Pennsylvania, and Tennessee. A permanent order of the Grand Lodge requires me to present such an analysis of these as have claims upon our particular notice. One resolution of the Grand Lodge of New-York seems only to demand it. This expresses its disapprobation of the practice in which many subordinate Lodges had indulged of publishing an account of expulsions and suspensions in the newspapers ; and prohibits in future the publication of an expulsion IN ANY MANNER, except to the fraternity, or within the walls of a lodge. It was justly deemed a departure from masonic principles and duty to unveil to the public eye the venial faults of a brother, or to call in the aid of public resentment to punish his

cal and private wrongs. I recommend to your consideration the propriety of adopting a similar regulation here.

As I was necessarily absent from the state during the only portion of the year in which I could with propriety and convenience have visited many of the lodges under our jurisdiction, I was compelled to deny myself the pleasure of visiting any. Early in the year I prepared, and instructed the secretary to forward deputations to a sufficient number of faithful and intelligent brethren in different parts of the state to visit the lodges, and who were directed to superintend their labors, examine their proceedings, give them such instructions as they should appear to require, and report to me in detail upon their own acts and upon the present condition and future prospects of the Lodges. From some of these brethren I have had no communications; from others I learn that their commissions unfortunately never came to hand. The Right Worshipful brother, Elisha B. Smith, of Halifax, deputed to visit King Solomon Lodge No. 56, at Northampton Court House, has alone made a report. It will be read to the Grand Lodge.

Since the last Grand annual communication I have granted dispensations to brethren to form three new Lodges, to wit, Western Sun Lodge, in Wake county, Golden Fleece Lodge, at Milton, in Caswell county, and Rising Sun Lodge, at Rock Landing, in Halifax county.

I have now only to express the pleasing hope and confident expectation which I cherish, that in all our deliberations we shall be influenced solely by a fervent desire to elevate and sustain the honors of Masonry, advance the happiness of its votaries, and promote feelings and

sentiments of universal peace and good will towards
mankind.

CALVIN JONES.

VISITORS.

Bro's Charles Dur ng, Wm. Fowler, &c. &c.

The GRAND LODGE was opened in the

third degree of Masonry, with due and ancient form.

On motion of the R. W. Grand Senior Warden, *Ordered*, That the committee appointed to examine and report on the proceedings of Taylor Lodge, be discharged from the further consideration thereof; and that the said proceedings, with the petition of said Lodge for a charter, be referred to the M. W. Grand Master.

Brothers Thos. Henderson, Spence Hall, Caleb Etheridge, Daniel L. Barringer and John A. Ramsay now appeared and took their seats.

The R. W. Grand Junior Warden, Bro. Lockhart, from the committee to whom had been referred the subject of increasing the amount of annual contributions from subordinate Lodges, submitted the following REPORT; which on the suggestion of Brother Henderson, was ordered to lie on the table until next meeting.

REPORT.

The undersigned, two of the committee appointed by the most worshipful Grand Master to examine the accounts of the Grand Treasurer; and to enquire into the expediency of increasing the annual dues, to be paid by the subordinate Lodges under the jurisdiction of this Grand Lodge, beg leave to REPORT: That having examined the accounts of the *Grand Treasurer*, your committee find a balance due by him, of *three hundred and seventeen dollars*

and eighty eight cents, on the 30th day of November last.

Your committee have also examined the accounts of the different Lodges, and find that there are *twenty in arrears* to the Grand Lodge; the aggregate amount of which is *seven hundred and ninety eight dollars and fifty cents*; of this sum, it is the opinion of your committee, that not more than one fourth part will be collected, as a number of them are in arrears from five to nine years.

Your committee therefore are of opinion, that it is expedient to increase the present dues, *fifty per cent.* say fifteen instead of ten dollars; but they are of opinion that the present charges for dispensations and charters should not be increased. Your committee are induced to recommend this increase, as the Lodges have greatly diminished; for although the youngest Lodge bears No. 68, there are but 33 Lodges, which can be considered, as properly under the jurisdiction of the Grand Lodge of this state, and out of that number there are not more than 20, that are in the habit of paying their annual dues. Your committee therefore recommend that the Grand Secretary be directed to issue notices to all the Lodges, *wh ch* are three years or upwards in arrears, that unless the dues are paid at the next grand annual communication, their charters will be arrested.

Submitted, W. B. LOCKHART,
THO. HENDERSON, jr.

Committee.
